Mina Ayman

Front-End Developer | HTML • CSS • JavaScript

Email: meena22amb@gmail.com
GitHub: github.com/minacode8
LinkedIn: linkedin.com/in/minacode8

PROFILE

Front-End Developer focused on building clean, responsive, and user-friendly websites. Strong understanding of layout systems, modern UI principles, and performance-aware design. Comfortable working independently and delivering polished results.

SKILLS

• HTML5 (semantic markup, accessibility basics)
• CSS3 (Flexbox, Grid, responsive layouts)
• JavaScript (DOM, events, UI interactions)
• UI/UX fundamentals and visual polish
• Git & GitHub

PROJECTS

Portfolio Websites
Designed and developed multiple static websites including landing pages, business sites, and UI-focused layouts. Emphasis on clean structure, consistency, and responsiveness.
